

4-H Alberta wants YOUR video

These days it's easier than ever to capture your own video footage!

Chances are that if you don't yet own a video phone, Webcam, or digital camera with video, someone you know does.

With this in mind, we want to see your **4-H Experiences**, whether they're educational, very funny, funny, or just fun!!

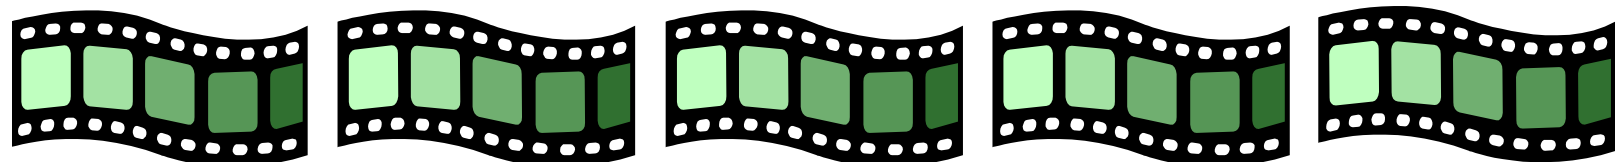

Here are some ideas and topics for the kinds of videos we're looking for to help get you started:

- **4-H Projects**
 - Take your camera along as you journey through your 4-H project
 - Show off what happens during your project year
 - Present examples or portfolios of project work
 - Show a project in process (woodworking, welding, sewing, etc.)
- **Club Activities and Community Services**
 - Take short clips of your club working on projects or taking part in some activity
 - Public Speaking
 - Monthly meetings
 - Document guest speakers (with permission)
 - Fundraising campaigns
- **Create a "How to" video**
 - Public Speaking
 - Prepare for Achievement Day
- **Show Important Learning activities and Skills development sessions**
- **Celebrating 4-H Milestones**
 - Awards of Excellence
 - First Time at Camp
 - Showcase your family's 4-H history and roots

Basically, if you make a video that has anything at all to do with 4-H Alberta, we want to see it! Potentially, you and your video could be showcased in promotional materials!

To get started uploading footage and videos, contact:

Vanessa Bosworth, Corporate Partnerships Coordinator, 4-H Foundation of Alberta,
Email: bosworth@4hab.com, Ph: 780.682.2153.
