

Clever Kids Can Pull 'em and Save 'em to Support Ronald McDonald House®

The Ronald McDonald House Pull Tab Program is a great club activity for Clever Kids! Clever Kids can take the lead on organizing and managing the collection, reminding Fellow clubs members about the campaign and enlist their help, and advertise their campaign via posters and other communication.

Have a Clever Kid? Get them to head up a collection for the Pull Tab Program! It is an easy program for your members to get involved and help make a difference.

How the Fundraiser Works

Ronald McDonald House® Southern Alberta has a great initiative combining recycling with fundraising. They collect pull tabs from pop and juice cans as well as pet food containers.

Various groups such as schools and community organizations collect pull tabs and send them to Ronald McDonald House® Southern Alberta. Then, the House, with their recycling partner, Westcan Recyclers Ltd., recycles the tabs and receives money as you would from pop cans and bottles.

About

Every year Alberta 4-H clubs, members and leaders help out a number of charities, either by donating money, providing volunteer hours or supporting community events.

The Ronald McDonald Houses in Alberta and Alberta 4-H have partnered to create a meaningful leadership experience for 4-H members and clubs.

There are three Ronald McDonald Houses in Alberta. Each House provides a compassionate, safe and affordable home away from home for out-of-town families and sick children who are receiving treatment in a local Calgary, Edmonton or Red Deer hospital.

If your club, individual members or leaders are looking for community service activities, events to get involved in or a venue to volunteer at, you may want to suggest supporting the Ronald McDonald Houses throughout Alberta. 4-H kids can help Ronald McDonald House kids!
