

4-H Canada Leadership Summit 2015 Nomination/Application Form

Theme: Sparking Innovation through Science and Technology

Location: Ottawa, Ontario

Dates: February 12-15, 2015

Deadline for Application: November 15, 2014

Do you have an interest in learning more about **science and technology** for your 4-H Club? Are you interested in committing to be a 'science champion' in Alberta (i.e. promoting and sharing ideas and resources with other leaders)? Are you excited about new challenges, learning to do by doing, and keeping current with the needs of this generation and the next?

This year's Leadership Summit will provide you with the opportunity to be trained in Smarter Science – experiential teaching in science. Learn tools and recipes for engaging 4-H'ers in Science and Technology at this national summit.

In addition, this Summit will offer you opportunities to engage in workshops, hands-on demonstrations, and keynote presentations. Interesting topics pertaining to 4-H programming, administration, risk management, and funds development will be explored.
