

4-H on Parade

Hey 4-H members! Since the end of May is now upon us, school is winding to a close, and summer is nearly here, now is the time to start filling up your weekends with as many fun-packed events as possible. What better way to start than this upcoming weekend!

You should think about attending Calgary's regional show, 4-H on Parade! This event, which is the largest of its kind in Canada, is FREE for the public to attend. It's being held at the Calgary Stampede Grounds in Calgary, and features some of the biggest and furriest projects, as well as some of the most talented 4-H members in the region.

Friday, you can expect to see the Beef female show and the sheep and dairy trimming running concurrently all afternoon, with multi-judging rounding out the evening.

Saturday will feature a Heavy Horse Decorating class, the sheep, English horse and dairy shows, lifeskills displays and demonstrations, as well as rabbit showmanship and agility, and to finish off the day, a lip sync competition.

Sunday will be the Western horseshow, beef-team grooming, a sport dogs' demonstration, and the sales of the sheep and steers, with the event coming to a close following the action of the STARS Charity Steer.

It's going to be a busy, crazy, fun-filled three days, and what better way to help this week speed by than to have something FREE to look forward to at the end of it! Come on out and support your fellow 4-H members!
