

# Calgary Stampede Steer Classic

The Canadian Association of Petroleum Landmen is pleased to announce its continued involvement in the Stampede Steer Classic. In the past five years CAPL and its sponsors have helped to raise \$48,000.00 for the 4-H Foundation through raffle ticket sales. The 4-H Foundation, in partnership with the Alberta 4-H Branch and Council, helps to support

the life skill development of this province's youth, in an effort to create self reliant, contributing individuals with marketable skills to succeed in today's society.

With the efforts of the CAPL Steer sub Committee and this year's sponsors, The Association takes pride in supporting 4-H and in playing a large role in the success of the fundraiser in the 2010 Stampede Steer Classic Event.

This event gives the CAPL organization and its many sponsors the opportunity to be present within the industry and various communities.

Tickets and further information about this event will be available at the CAPL Office and upcoming CAPL events or contact the CAPL Steer Sub Committee listed below for information:
