

Kubota Continues Partnership with Alberta 4-H

Together, Alberta 4-H and Kubota continue to provide great Provincial and Regional events for members and leaders throughout the province. Kubota is going into its third year of partnership with Alberta 4-H and has been instrumental in providing superior opportunities to our youth.

This year Kubota contributed more than \$10,000 to the 4-H Foundation of Alberta. These funds have been allocated between six Alberta 4-H Regions. Kubota's sponsorship will support events such as the Frosty Fest in the Peace Region, Calgary Region 4-H Heifer Show, Northeast Region 4-H Heifer Show, East-West Regional Beef Heifer Show, and South Region Learning Days.

Kubota also confirmed its Provincial sponsorship which will support the Alberta 4-H Beef Heifer Show and the Alberta 4-H Dairy Show. These two Provincial livestock Shows are held in Olds, AB and are part of "Summer Synergy".

The 4-H Foundation of Alberta appreciates Kubota's continued investment in the Alberta 4-H program and ultimately, the future of young leaders in throughout the province.

Thank you Kubota!
