4-H Vision

Alberta 4-H develops leadership, communication, technical and life skills of 4-H members and leaders to strengthen communities.

4-H Philosophy

Young people and adults learning project and life skills, cooperating and having fun together, sharing leadership and learning to do by doing.

Sponsorship plays an integral role in the operation of the Alberta 4-H program. It is a key reason why our 4-H program effectively meets the needs of its members and adult volunteer leaders.

4-H in Alberta has a high profile and is ingrained in rural Alberta culture. Our members and leaders display strong community commitment and a will to develop vibrant community leadership. Corporate support enables Alberta 4-H the opportunity to offer high quality educational material and programming.

We rely on the support from the community, the dedication of our volunteers and the generosity of our financial partners to exist in a synergy whose end result is producing the leaders of tomorrow from the youth of today.
