B. Huisman moved to accept the minutes as amended. Seconded by C. Dodgson. Carried.

There was no treasurers report. A cheque made out to Focus on 4-H by the regional beef committee is still outstanding.

J. Onyschuk would like someone to volunteer to be the "Chair" of the Focus Beef Committee. S. Dodgson and J. Blahum volunteered to be co-chairs. D. Zadunayski moved to accept S. Dodgson and J. Blahum for this position. Seconded by B. Kasbohm. Carried.

Schedule for the Focus Beef Show is on the reverse side of the agenda. A comment was made that show committee members were not involved in the planning of the show and should be contacted for all meetings and or conference calls especially if dates get changed.

The regional learning day was a success. There were approximately 40 participants. It was held January 22, 2011 in Clyde.

For comments to be taken to the provincial beef committee (BAC) regarding the number of female projects a members can have should be emailed to Alex Hoy or Sid Livingstone prior to June 20, 2011. Email: [ahoy12@yahoo.com](mailto:ahoy12@yahoo.com) or [sid.livingstone@telus.com](mailto:sid.livingstone@telus.com). The provincial heifer show is growing with Synergy, there are 48 scholarships available, members competing for scholarships must go the Calgary Stampede Showcase.

J. Onyschuk requested that we talk with our districts about a prospect steer show, a jackpot steer show or something else. Bring back your ideas to the next meeting.

B. Kasbohm moved that we have another learning day devoted entirely to beef and that we alternate between having it early one year and later in the year the next year. Seconded by J. Blahum. Carried.
