

ALBERTA 4-H COUNCIL

Who are we?

Alberta 4-H Council is made up of 20 elected volunteers, 17 of whom are voting members, 2 representatives from each region, 2 alumni, 2 ambassadors, the past-president (Foundation Liaison), a Canadian Council Representative, and a Branch Liaison.

What do we do for you?

- ↪ We support the 4-H program as we meet with everyone from perspective members to the minister
- ↪ We lead marketing of the 4-H Program through our Marketing Advisory Committee (MAC)
- ↪ We work to ensure that two-way communication is effective from members, leaders, districts, regional councils, Alberta 4-H Council and beyond to Alberta 4-H Partners
- ↪ We continue to write, review and monitor the 4-H Policies
- ↪ We manage leader's screening
- ↪ We administer the insurance policies for the Alberta 4-H members and leaders

Information flows, in written form, from your club(s), district and/or region to Alberta 4-H Council by council representatives. It will be reviewed, at our next meeting. If necessary it will be shared with our partners, the Alberta 4-H & Agriculture Education Branch and the 4-H Foundation of Alberta. Your Alberta 4-H Council representatives will communicate the response.

We are encouraging our 4-H family to come up with ways to improve your Alberta 4-H Council. We value your input.

So how do you think we are doing in the areas of:

- ↪ Promotion?
- ↪ Leadership?
- ↪ Policy development?
- ↪ Risk management?

What can we do for you?

*Thank you,
Your Alberta 4-H Council Reps*
