

# Highlights from Alberta 4-H Council Meeting

## March 27<sup>th</sup>, 2010

The Alberta 4-H Council met on March 27<sup>th</sup> at the Alberta 4-H Centre in Battle Lake. We were scheduled to meet over two days but managed to get the business and elections done in one, thanks to everyone for their hard work.

We were excited to give our under age pilot project a name, let it be known from now on that this group will be known as "The Cleaver Kids"! Thanks to Ambassador Heather Polasek for the great suggestion. We are continuing to work on putting together the guidelines and a survey so that the clubs involved have a format to give Alberta 4-H Council the feedback we need to monitor this pilot. There are 12 clubs and 49 Cleaver Kids involved in this pilot. Again thank you to all the clubs, district, and regions who are working with this pilot.

Susann Stone has all but finished with the Leaders Screening for this club year. We are so sorry for the hold ups we have endured. We continue to strive for an improved Leaders Screening process that can be completed in a timely manner. This will continue to be a goal as we move forward. Thanks to Susann for her hard work in getting this work done and back to leaders.

A reminder that our address is: **Alberta 4-H Council**  
**Site 7 Box 1 RR 1**  
**Westerose, AB T0C 2V0**

Susann will collect the mail at that address and distribute to where it needs to go as quickly as possible.

The MAC (Marketing Advisory Committee) will be meeting late in April to look at the information that has been collected through the Branding Session and the Research Project just completed.

We elected a new executive; I would like to welcome Stacy Price as our new President, Mark Sayers as Vice President, Daphne Schnurer as Secretary, and Sally Barkwell as Treasurer. I will hold the position of Past President and will now sit on the Foundation Board. We have new faces on our committees and are all looking to get back to work at representing the grassroots in Alberta 4-H.

Our next meeting is to be held July 24<sup>th</sup> and 25<sup>th</sup> at the 4-H Centre.
