

2012 Society to Prevent Dutch Elm Disease (STOPDED) Membership

Mandate: To foster and promote the survival of the American elm (*Ulmus americana*) in Alberta and the desire to protect Alberta's landscape trees threatened by pests with emphasis on invasive alien species.

Your membership will help:

- keep Alberta free of Dutch elm disease (DED) and other invasive alien tree pests
- keep you informed and updated on invasive alien tree pests by receiving regular STOPDED e-Bulletins
- keep you in touch with arborists, nurserymen, scientists and others across Alberta interested in the Society's mandate.

Your support is appreciated. Thank you
