

KNEEHILL COUNTY POLICY

SECTION: ASB

POLICY TITLE: Private Land Weed Control

POLICY NUMBER: 1-23

Purpose:

To establish a policy, that would assist, private land owners on agricultural land within Kneehill County, in the prevention of prohibited noxious and selected noxious weed establishment.

Policy Statement:

Kneehill County ASB will assist with pesticide applications on agricultural production lands, to control all prohibited noxious weeds and small patches of selected noxious weeds, on a cost recovery basis.

Policy Guidelines:

1. Weeds designated for control in crop land include all prohibited noxious weeds and the selected noxious weeds.
2. Maximum control area for noxious weeds will be one acre in crop land.
3. Weeds designated for control in non cropland will include all ~~restricted~~ prohibited noxious and noxious weeds.
4. Maximum control area for noxious weeds will be two acres in non cropland.
5. A complete reverse fence line pesticide application may be done if requested.
6. All pesticide applications require a permission to enter agreement signed by the person in control of the land.
7. All pesticide applications will be done on a cost recovery basis.
8. All private land pesticide applications require approval from the Agriculture Fieldman.
