POLICY TITLE: Pesticide Container Site
POLICY NUMBER: AG-16
REFERENCE: _____
APPROVED BY COUNCIL: August 10, 2004

POLICY STATEMENT

The Agricultural Service Board will co-operate with the Pesticide Chemicals branch of Alberta Environment and the Crop Protections Institute of Canada in the disposal of empty farm pesticide containers.

^{POLICY} The Crop Protection Institute of Canada and Alberta Environment in co-operation with the A.S.B. will receive and arrange for the disposal of all empty farm pesticide containers received in the County. The A.S.B. will attempt to operate temporary collections sites where deemed necessary.

Containers from these temporary collection sites are to be transferred to the regional landfill site north of Drayton Valley to be held there in the A.S.B.'s pesticide Container Collection site. They will be removed by Alberta Environment at the discretion of the Agricultural Fieldman.
