BEAVER CONTROL

The Agricultural Service Board will undertake a Beaver Control Program as follows:

1. The Agricultural Services Board will hire a trapper.
2. The trapper hired will be under the direct supervision of the Agricultural Fieldman at all times.
3. The Agricultural Service Board Chairman will report to Council to announce the name of trapper.
4. The trappers will be paid on an hourly basis and they will be permitted to retain the beaver pelts. It will be understood that the pelts are given to the trappers in lieu of payments for expenses and equipment.
5.
 - a) Wages will be set at the County hourly labor rate, no overtime will be permitted.
 - b) Mileage will be paid at the established County rate.
6. All payments will be approved by the Agricultural Fieldman before submission for payment.
7. Upon receipt by the County of Camrose of a fee of \$75 from an owner or occupant of land within the County of Camrose, and upon submission of proof of payment to the County, the Agricultural Fieldman will accept and act upon requests to remove beaver and beaver dams from privately owned property.
