

**COUNTY OF GRANDE PRAIRIE NO. 1
POLICY MANUAL**

Legal References:	Policy Department: Agriculture
Cross References:	Policy Number: D11
Adoption Date: April 14, 2003 Revision Date: November 26, 2007 (Resolution #11-1833-07)	Policy Title: Roadside seeding

POLICY PURPOSE:

To minimize erosion, reduce weed spread, prevent cross contamination for pedigree seed growers and ensure quick and proper grass establishment on roadside right of ways.

POLICY STATEMENT & GUIDELINES:

Procedures

1. Seed for roadside seeding is to be Certified Canada #1 Creeping Red Fescue. Purity analysis of seeds shall be garnered and approved by the Agricultural Fieldman.
2. Seeding shall take place as soon as possible on the completion of construction.
3. Seeding will be done until snowfall or at the discretion of the Agricultural Fieldman.
4. Harrowing before and / or after seeding will be implemented wherever the ditch slope allows.
