

S A 2

SECTION: Agricultural Service Board
SUBJECT: Top Soil Removal

03-02

Every landholder shall, in respect of his land, take appropriate measure to prevent soil loss or deterioration from taking place.

The Special Areas Board is also concerned with the removal of significant areas of topsoil for resale. In this regard, topsoil may not be mined within the Special Areas without prior approval from the Agricultural Service Board from that Area.

Jay J. Slemp, Chairman
Special Areas Board

Jordon, just a reminder to send me copies of any by-laws or policies that you may have that would pertain to Agricultural Service Board issues or activities. You can e-mail them, fax them or send it regular mail – whichever is easier.

Thanks

Pam
