

SECTION: AG SERVICE BOARD POLICY

SUBJECT: PESTICIDE CONTAINER SITES

Original Resolution No.: 97-04-05
Revised Resolution No.: 04-07-37

PESTICIDE CONTAINER SITES

The County of Warner only recognizes the Border Seed Cleaning Plant and the Sunshine Seed Cleaning Plant as permanent chemical container sites. The County does not recognize any temporary sites.

1. Maintenance of these sites will be the responsibility of the Agriculture Service Board staff.
2. The County is responsible for all minor and major upkeep and maintenance of the site.
3. Department of Environment is responsible for the removal of pesticide containers on an annual basis.
