

<b>WHEATLAND COUNTY POLICY HANDBOOK</b>	
<b>A.S.B. - Haying of Municipal Right of Ways</b>	
<b>POLICY NO.: 5.23</b>	<b>DATE: Jan. 5, 2005</b>

Haying requirements shall be included as a Schedule B attachment to the Wheatland County Access and Work Agreement

1. Applications for haying of municipal right of ways will be accepted up to May 31 with priority given to adjacent landowners.
2. All areas listed for haying on the access and work agreement must be cut by the applicant. Failure to do so may result in denial of future haying requests.
3. Haying operations will be conducted in a manner that creates no hazard to traffic.
4. Due to safety concerns bales must not be left on the edge the road.
5. Bales left 3 or more metres from the edge of the road must be removed within 10 days of baling.
6. Bales must not be left in an area that will block drainage.
7. It is understood that there may be herbicides present from Wheatland County=s weed control program.
8. Conditions four (4) and five (5) of the Access and Work Agreement will be replaced with the following clause: Anyone involved in haying roadside right of ways shall, without limiting his obligations herein and at his own expense, provide and maintain Farm, Comprehensive or Commercial General Liability Insurance in an amount not less that Two Million (\$2,000,000) per occurrence against bodily injury, personal injury and property damage, and completed operations liability. By signing the Access and Work Agreement you are stating that you have the above stated insurance requirements.
9. Any cost incurred by Wheatland County to enforce these conditions may be charged back to the applicant.
