**Burning of Crop Residue: B.L. 19/89** - It is deemed expedient and advisable and in the best interests of soil conservation, to establish a system of permits controlling the burning of crop residue on land within the County.

- 1) Council, through its Soil Conservation Officer, may issue a permit for the burning of crop residue on land, provided the applicant for the permit complies with the requirements of the Soil Conservation Officer acting in accordance with the instructions of Council of the Agriculture Committee for Flagstaff County.
- 2) The Soil Conservation Officer may issue a permit for the burning of crop residue for a period of time within such period as may be established on the recommendation of the Agricultural Committee.
- 3) Council, through its Soil Conservation Officer, may, in his discretion, suspend, reinstate or revoke any permit.
- 4) No person shall burn crop residue on any land within Flagstaff County without first obtaining a permit issued pursuant to B.L. 19/89.
- 5) This permit becomes valid with the issuance of a permit under the Forest and Prairie Protection Act and regulations thereunder. A person who contravenes a provision of the bylaw is guilty of an offence and liable to the penalties as set out in the Soil Conservation Act.
