

Woodlands County
Policy 6311, Effective: February 17, 2004

Title: Insect Control on Rights-of-Way

Policy No: 6311

Approval: County Council
Effective Date: February 17, 2004

Supersedes Policy No: N/A

Policy Statement: To provide authorization for landowners of Woodlands County to undertake insect control on road rights-of-way and to recover costs incurred for controlling insect infestations.

For the purpose of implementing the above policy, the following procedures shall be adhered to:

1. Applicants must sign a waiver for liability, in the form attached hereto as Appendix 'A', prior to application.
2. Insect control shall also be applied to adjacent road ditches and rights-of-way.
3. In the event of aerial application the ratepayer shall provide traffic control at the time of the application. Individuals must be equipped with safety clothing and equipment.
