

## Echelon Foods Turduckens and Roasts

Want to stand out from the crowd? Want to offer unique, great tasting and innovative poultry products that will differentiate your business and impress your clients?

The Original Turducken is the manufacturer of premium quality turduckens and turducken roasts under the Echelon Foods brand. Our turduckens combine deboned turkey, duck, chicken and sausage stuffing into a culinary feast that will “wow” your customers. Our products are available with pork and pork-free sausage stuffing and in bacon-wrapped options. They are available in sizes and formats from 1.5 kg to 5.5 kg.

The Original Turducken is a Canadian company based in Calgary, Alberta. We produce at HACCP certified facilities in Alberta that adhere to the highest food safety standards. We ship products frozen in quality vacuum-sealed packaging to ensure and maintain product integrity. We have significant production capability and flexibility to meet export demand and private label needs.

We currently supply turduckens to retailers, foodservice companies and on-line to consumers across North America and are expanding internationally based on product requests from various markets. We take pride in working closely with our customers to deliver an exceptional dining experience and provide a 100% consumer satisfaction guarantee.
