

# IVOMEC CONTAINER RECYCLING

## Ivomec Containers

Merial Canada and the 4-H Foundation of Alberta have set up a partnership to recycle Ivomec containers. The contents of these containers are used to control parasites on livestock. The containers are made of a high grade plastic that is highly recyclable. January 2010 (Specific dates to come) is the Alberta wide drop off week for the Ivomec containers that individual clubs have collected.

## This fundraiser earns:

\$2.50/2.5L container

\$3.00/5L container

\$12.50/20L container

## Points to remember

- Prepare to drop your containers off in January each year
- Ensure your containers are free of mud and dirt on the outside
- No liquid is left on the inside
- Labels must be present and visible.
- Only drop off during designated dates and hours of operation
- Obtain a copy of the count receipt for your club records
  - Payment should follow within one month after drop off
- There are NO additional locations set up at this time.
- Club must register for this program each year (December)
- If your club does not receive payment or has additional questions please contact the 4-H Foundation of Alberta 1-877-682-2153 (toll-free)
