

Masterfeeds

and the 4-H Foundation of Alberta have teamed up to support the Alberta 4-H program. 10% of all cattle feed purchases through Masterfeeds or one of our dealers will be donated back to Alberta 4-H. ONLY Masterfeeds Club Calf Starter, Grower, Finisher and Showstopper are eligible for the 4-H rebate.

Simply show your 4-H membership card and identify your club at time of purchase and a 10% donation will be sent to your club. Your club can use the funds at their own discretion through out the upcoming 4-H season.

If you have any questions on feeding Masterfeeds, or would like more information on this program, please feel free to contact:
