

## UFA Co-operative Limited Celebrates 100 Years

It is with great pleasure that today, January 14, 2009 Alberta 4-H sends its best wishes to UFA on 100 years of success.

With a passion for agriculture and an affinity for rural life, UFA is committed to the ideals on which it was founded. Hard and honest work alongside the people in rural communities has enabled UFA to thrive for a century.

In 1909 they started as a small, local co-operative that has grown into a dynamic organization that continues to enhance the lives of rural Albertans. Today, UFA has a network of 36 Farm and Ranch Supply stores, more than 120 petroleum locations, comprehensive construction capabilities and acquired retails stores that provide lifestyle products for hunting, camping and fishing.

UFA remains committed to our communities by building the leadership capacity of future generations.
