

## **Meadowbrook Greenhouses Inc.** **Spring Hanging Baskets**

Bring color to your community with beautiful plants and raise funds for your club at the same time.

Earn Approx \$10.00 for each spring basket when selling the baskets at competitive prices. Club members can sell spring baskets in February. Flowers are Alberta grown.

All plants are delivered on your requested dates. Spring baskets are usually delivered in time for Mothers Day.

Meadowbrook Greenhouses Inc. also offers seasonal plants such as poinsettias at Christmas time. This also would be a great starter fundraiser for your 4-H club.
