At 4-H, we know that the youth of today will become our leaders of tomorrow. In knowing that, we commit to developing, fostering and encouraging youth through various programs, projects, events and initiatives. We recognize the potential in our youth and the value that comes from experience. In order to help provide this experience, we have decided to promote an opportunity that exists by way of our website and our sponsors.

We have created a job board, found on the main page of the 4-H website, in order to link 4-H members with future employers, our sponsors. By showing interest in our 4-H job board, we know that you realize the potential that exists within our members, potential that each one of you has helped cultivate as a result of your sponsorship.

About the job board:

- ✦ Formatted to allow members and alumni to easily access your organizations' employment opportunities via the 4-H website.
- ✦ Your logo would be placed on our job board with several links – one to your home page and one to your careers page.
- ✦ When a visitor to our job board clicks directly on your company logo, it will redirect the user to your homepage to find out more about your organization.
- ✦ When a visitor clicks on the "Employment Opportunities" link, the user will be redirected to your company web page listing your job openings.

Guidelines:

- ✦ 4-H will link your organization's home page (accessed via your logo), as well as your company's employment opportunities (accessed via "Employment Opportunities"). It is each company's responsibility to maintain these pages, ensuring that job board links connect potential employees directly to the appropriate page on your website, keeping postings relevant.
- ✦ It will be each organization's responsibility to contact Corinne Skulmoski (corinne.skulmoski@gov.ab.ca) to inform her of any website address changes which would affect the 4-H job board.
- ✦ Your company logo and links will remain on the 4-H website according to contract terms and lengths as negotiated with 4-H Foundation of Alberta.
- ✦ The fees for posting on the 4-H job board will be \$500/ sponsor per year (non sponsor rate is \$1000/year).
- ✦ We would appreciate any feedback on the value of this service. This is done as an effective and efficient way to measure your satisfaction, 4-H's job board success and any suggestions for improvement.

Subscribing to our job board not only increases the visibility of your organization throughout Alberta 4-H, but it also increases the number of potential employees that will access the employment opportunities on your website.
