

## Alberta 4-H - The Finnish 4H-Federation Exchange

### Interested in traveling to Finland for this summer on 4-H exchange?

Are you between the ages of 16 to 19? The Alberta/Finland exchange program matches Finland 4-H members with Alberta 4-H members and provides the opportunity learn about each other's countries. Alberta 4-H members will live with families for a month. They may also have the opportunity to attend Nordic 4-H Camp which is attended by 4-H members from all the Scandinavian countries.

**Program cost** - \$500.00 plus flight (flight cost approximately \$2,300.00)

### Interested in hosting a 4-H Finland exchange student this summer?

This summer Alberta 4-H will be hosting exchange delegates from Finland. Alberta 4-H is looking for host families for the month of July and August (about a 4 week period) for these delegates who come to experience 4-H, agriculture and our way of life in Alberta. As a host family there is no expectation that you will tour your guest around the province, only that you will welcome our guests and share your family life.
