

2011 Exchange Opportunities

Imagine traveling to a new and wonderful place full of enthusiastic and friendly 4-Hers who are eager to meet and share ideas with you! If the idea of traveling and exchanging cultures, traditions, and ideas interests you, then we invite your club, district, region, or even just you, to initiate travel to another part of Alberta, Canada, the United States or around the world.

Travel to Finland, Japan, Korea or Taiwan

Deadline for interest is May 1, 2011

As part of our reciprocal agreement, Alberta 4-H has the opportunity to send delegates to Finland, Japan, Korea and Taiwan. During your stay, you will be hosted by local 4-H families, take part in cultural experiences and learn about 4-H and agriculture. Delegates will be responsible for the cost of flights, souvenirs and any other incidental costs. The majority of accommodations and meals will be covered during your stay. Travel to Korea and Taiwan is directed towards high school graduates and university aged members and alumni. All interested individuals will be contacted regarding the selection process for the exchange.

Host an International Delegate

Deadline for interest is June 15, 2011

During the summer and fall of 2011, Alberta 4-H will be hosting exchange delegates from the United States, Finland, Japan, Korea and Taiwan. This means that we will be in need of host families during this period when these delegates come to experience 4-H, agriculture and our way of life in Alberta and Canada. As a host family there is no expectation that you will tour your guest around the province, only that you will welcome our guests and share your family life.

Organize Your Own Exchange Opportunity

As a club, district, region or even an individual, you are welcome to organize your own exchange opportunity. Exchanges should take place over either a one or two-year period. The 4-H Specialist – Programs is available to assist you in making your exchange idea a reality. We have connections to 4-H and similar youth organizations around the world.

Whether you choose to host a delegate or travel overseas, you will be richer through the experience!
