Deadline: May 15, 2011

**Questions About This Program?** Call Mark Shand 310-0000 then 403-948-8508

People Developing People (PDP) provides opportunities for intermediate 4-H members to build leadership and citizenship skills, while learning, playing and developing lifelong friendships in a community-based environment. Participants will have the opportunity to engage in hands-on camping skill sessions, traditional camp activities (campfires, games, dances), a movie evening and an epic special interest session focused on enjoying recreation and leisure (may include crafts, healthy living, outdoor living, water activities, etc.). PDP is a great opportunity to connect with new and existing 4-H friends, while gaining skills in a fun environment.

Delegates will also participate in sessions based on the following themes:

**PDP 1** – Environmental Sustainability – hands-on sessions will focus on environmental topics, which may include reducing your environmental footprint, sustainable agriculture, and Environmental Farm Plans (EFPs).

**PDP 2** – Entrepreneurship – hands-on sessions will focus on entrepreneurship and innovation, which may include identifying opportunities, starting up, management and marketing of micro businesses.

**PDP Plus** – Community Development – hands-on sessions will explore youth's essential role in the development of their club, community, country and their world. Participants will also have the opportunity to interact and mentor participants of Combined Camp 3, which occurs at the same time (the programs will be run separately).
