

4-H is planting... Trees for My Community

The Tree Canada Foundation, in partnership with Strathcona County, Alberta Pacific Forest Industries, Shell Canada, Edmonton Community Services and the Alberta Naturalization Network Society (ANNS) is pleased to offer Alberta seedlings to your community. We are very excited to announce that Shell Canada is a new sponsor to the program this year.

We have packaged the following for your 4-H Club:

- _____ Lodgepole pine
- _____ White spruce
- _____ Siberian larch (Acute willow was not available)

See the attached leaflet with instructions for planting seedlings.

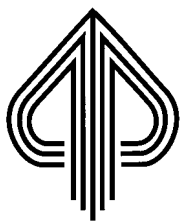

In order for this program to continue, it is imperative that those communities receiving seedlings please send letters of thanks and any pictures taken of planting events back so Sheila Flint of Strathcona County can make them part of their annual event report that is sent to the sponsors.

Send electronic pictures of your planting event and letters of thanks to Sheila Flint flint@strathcona.ab.ca.

Happy Planting!!
