4-H Public Speaking Teller Sheet

6 Judges (3 Prepared & 3 Impromptu)

Speaker's Name	Prepared Rank					Impromptu Rank				Final Rank (A + B)	Placing (lowest is winner)
	Judge #1	Judge #2	Judge #3	Total	X 3 (A)	Judge #4	Judge #5	Judge #6	Total (B)		

Note: When using six judges, multiply the total prepared score by three in order to properly weight the prepared speeches as they are worth 75% (150 out of 200 possible points) of each speaker's overall score.
