Re: 2011/2012 UFA & Ralgro 4-H Implant Program

Dear Leader,

Please find enclosed a copy of the form required to obtain one complimentary dosage of Ralgro implant for each of your beef members. In addition, we have mailed out a brochure which provides information about hormones and how they are a "safe and effective production tool for the Canadian beef industry" in the fall mail out.

To obtain the complimentary dosage(s) for your members, please complete the attached form and bring it in to your local UFA Farm and Ranch Supply store. Please note that the offer is only valid at our Farm and Ranch supply stores and not at UFA Petroleum Agencies.

Sincerely,

Jeff Rucci
