

Alberta 4-H Animal/Project Livestock Code of Practice

I believe that my participation in the Alberta 4-H animal/livestock project(s) should demonstrate my own ability, knowledge and skill as a feeder and fitter of livestock.

I will do my own work and accept only advice and support from others.

I will not use abusive or questionable techniques in the feeding, fitting and showing of my animal(s).

I will not resort to dishonest, or illegal practices when fitting my animal(s) for a show. I will not allow my parents, my project leader or any other adult to use such practices on my animal.

I will read and follow the rules of all animal/ livestock shows in which I am a participant.

I ask that my parents and the project leader not break the rules or make exceptions for me.

I want my project to be an example of how to accept what life has to offer, good and bad, and how to live with the outcome.

I realize that I am responsible for:

- The proper care and treatment of my animal(s).
- The production of a wholesome food or product..
- Acting in a manner consistent with the 4-H Member Code of Conduct Policy (1.02)
