

## Alberta 4-H Non-Livestock Project Code of Practice

I believe that my participation in the Alberta 4-H project(s) should demonstrate my own ability, knowledge and skill.

I will do my own work and accept only advice and support from others.

I will not use abusive or questionable techniques in the showing of my projects.

I will not resort to dishonest, or illegal practices when readying my project(s) for a show or event. I will not allow my parents, my project leader or any other adult to use such practices on my project.

I will read and follow the rules of all project shows/events in which I am a participant.

I ask that my parents and the project leader not break the rules or make exceptions for me.

I want my project to be an example of how to accept what life has to offer, good and bad, and how to live with the outcome.

I realize that I am responsible for:

- The proper handling of my project(s).
- The creation of a worthwhile product.
- Acting in a manner consistent with the 4-H Member Code of Conduct Policy (1.02).
