

## How to Use Traceability Connects

By clicking on one of the headings found here, you can search for services in all of Alberta or a specific region.

Zoom in and out using the tools here, by double clicking your mouse or by using your scroll wheel on your mouse.

This is the legend at the bottom of the page that indicates the different types of service providers.

**Traceability Connects** - to all your traceability services ( [About Traceability](#) - [Using This Map](#) )

Traceability Connects is a map-based directory of traceability service providers for producers and industry. At the click of a mouse, connect to the traceability services you need, for any species, at a location close to you.

Choose Region: [Alberta](#) [Peace](#) [North East](#) [North West](#) [Central](#) [South](#)

Map | Satellite

There are **81 Service Providers** that have All Services

**Note:** The pin drops are approximate locations and are not designed to provide driving directions. Please refer to the street address, when available.

★ For optimal viewing, please use Google Chrome when viewing the map.

Refine your search by clicking the drop down boxes to search for a specific species and service.

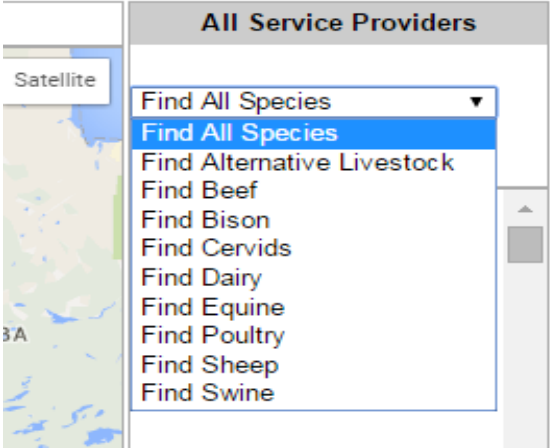

Based on how you refined your search, you can print all the service providers for the region you have selected.

You can find out more information on a service provider by clicking the pin drop or by clicking in the right hand column.

If you have any questions, please call 310-FARM (3276) or email [duke@gov.ab.ca](mailto:duke@gov.ab.ca)

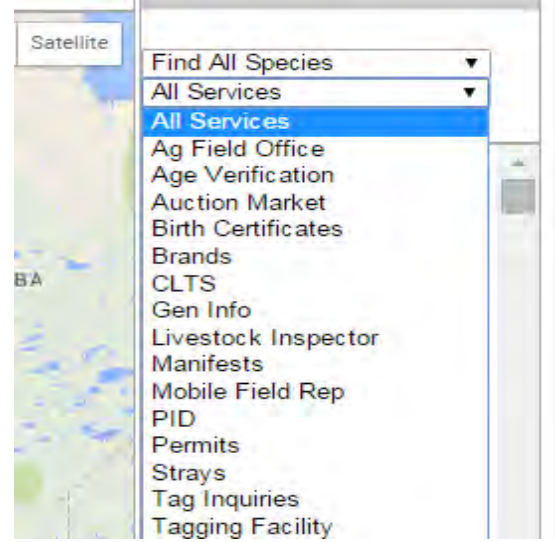

## Refine your search by species and service

The screenshot shows a map interface with a dropdown menu titled "All Service Providers". The menu is open, showing a list of options: "Find All Species", "Find All Species", "Find Alternative Livestock", "Find Beef", "Find Bison", "Find Cervids", "Find Dairy", "Find Equine", "Find Poultry", "Find Sheep", and "Find Swine". A blue highlight is under the second "Find All Species" option.

Use the drop down arrow to the right of "Find All Species" to find a specific species.

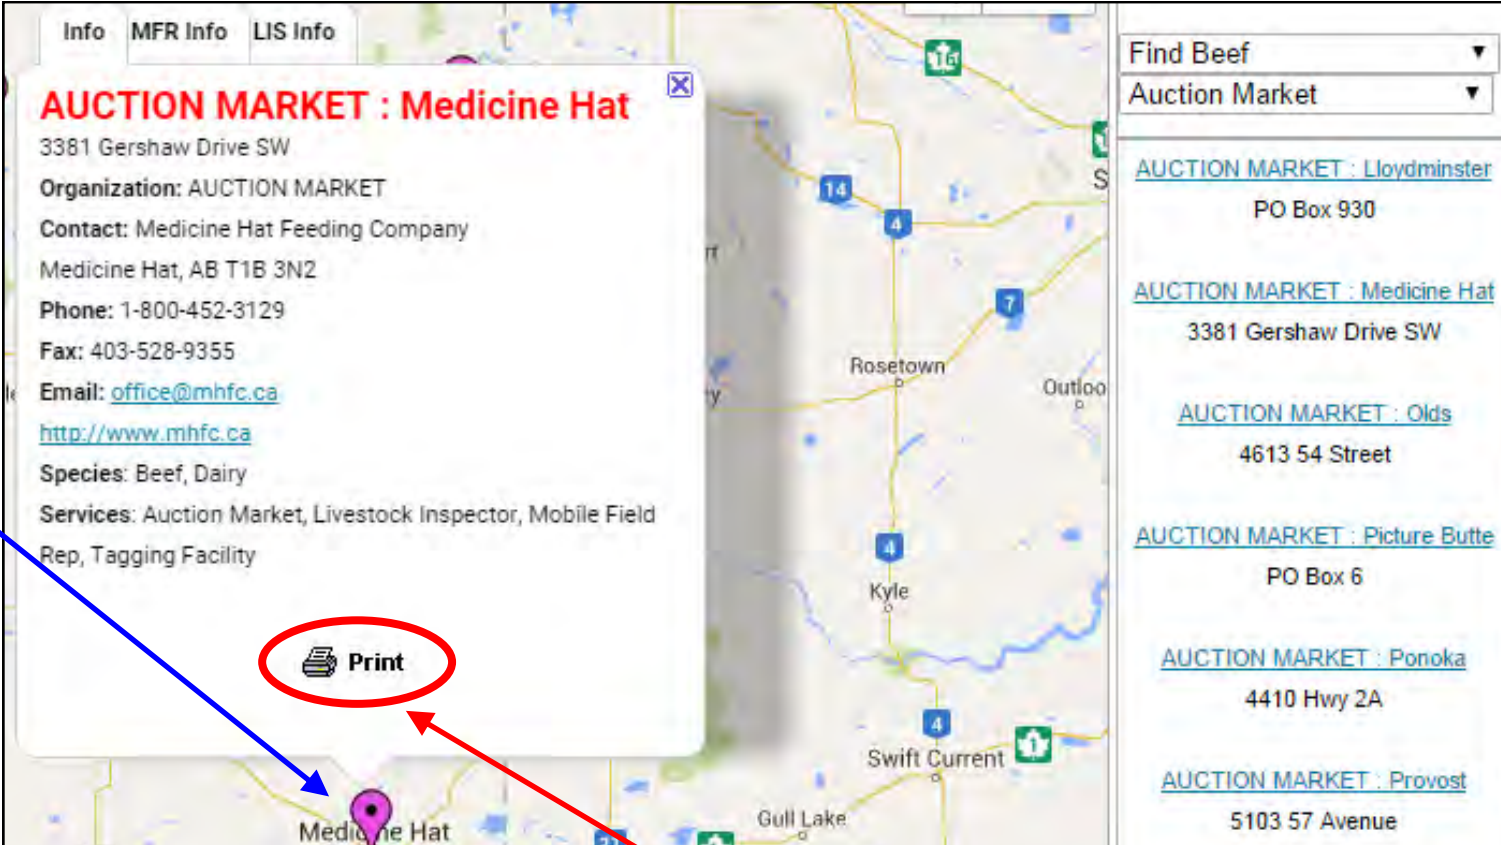

The screenshot shows the same map interface, but the dropdown menu is now titled "All Services". The menu is open, showing a list of options: "All Services", "All Services", "Ag Field Office", "Age Verification", "Auction Market", "Birth Certificates", "Brands", "CLTS", "Gen Info", "Livestock Inspector", "Manifests", "Mobile Field Rep", "PID", "Permits", "Strays", "Tag Inquiries", and "Tagging Facility". A blue highlight is under the second "All Services" option.

Then, use the drop down arrow to the right of "All Services" to find a specific service.

The number and color of pins on the map will change according to your selections.

## Choosing a service provider

Click on a pin drop or in the right hand column to display more information about that service provider including contact information and other traceability services they offer.

The screenshot shows a map with a pop-up information box for "AUCTION MARKET : Medicine Hat". The box contains the following information: "3381 Gershaw Drive SW", "Organization: AUCTION MARKET", "Contact: Medicine Hat Feeding Company", "Medicine Hat, AB T1B 3N2", "Phone: 1-800-452-3129", "Fax: 403-528-9355", "Email: [office@mhfc.ca](mailto:office@mhfc.ca)", "<http://www.mhfc.ca>", "Species: Beef, Dairy", and "Services: Auction Market, Livestock Inspector, Mobile Field Rep, Tagging Facility". A red circle highlights a "Print" icon at the bottom of the box. A blue arrow points from the text above to the pin on the map, and a red arrow points from the text below to the "Print" icon.

You can print the information in the pop-up box by clicking on the "Print" icon at the bottom of the box.

Click the tabs at the top of the pop-up box to get more information on other services offered, if applicable.
