

BIO – PENNY MAH

Penny Mah brings academic, private and public service experience to the position of Senior Trade Director with the International Marketing Division of Alberta Agriculture and Rural Development.

Penny has had a varied career including employment in analytical food sciences, foodservice functional foods, industry, and market development. Academically, she has a B.Sc. in Food Science and a MBA from the University of Alberta.

Her current role is the Team Lead for the Americas and European Union marketing group which includes two of Alberta's top agri-food export markets (US and Mexico) combined with the emerging opportunities arising from the complex EU countries.
