

Custom Rates Survey

Crop and Pastureland
Lease and Rental
2008

PREFACE

The Custom Rate Surveys are conducted for Alberta Agriculture and Rural Development, Economics and Competitiveness Division, Statistics and Data Development Unit by M. C. Wenger Consulting.

The data presented in this report was obtained by contacting custom operators and dealers and thus represent actual charges. Please note that some instances may be "good neighbor rates" as opposed to commercial rates. The reader should be aware that varying conditions in different areas of the province could significantly affect the rates charged from year to year.

The intent of the survey is to provide producers with additional information to help with their farm management decisions. The quality of data is dependent on the cooperation received by producers as well as commercial custom operators. We would like to thank all those who willingly provided information for this report. If you are involved in any custom operations and have not been contacted but wish to contribute, please contact Alberta Agriculture and Rural Development, Economics and Competitiveness Division, Statistics and Data Development Unit.

The assistance of Guangzhi Liu, Gail Atkinson, Marian Elson and Margaret McDonald of Alberta Agriculture and Rural Development is greatly appreciated.

For further information, please contact:

CROWN LAND RENTAL RATES 2008

Southern - (Zone A)	\$2.79/aum	3,100,000 acres
Central - (Zone B)	\$2.32/aum	800,000 acres
Northern - (Zone C)	\$1.39/aum	1,700,000 acres
 TOTAL ACRES (Rounded to nearest one hundred thousand)		 5,600,000 acres

Note: Public land grazing rental rates shown are charged based on the carrying capacity of the land, which is determined by the number of Animal Unit Months (AUM) that a specific parcel provides and is set by the Department of Sustainable Resource Development. They are not charged based on actual use- as a result the prescribed stocking rates may differ from the carrying capacity. The minimum rental rate for a grazing lease is \$50. In addition to the rental, the leaseholder is responsible for many legislated and required costs such as: the payment of municipal taxes; weed control; managing public and industrial users; and, investments in and subsequent maintenance of fencing, water developments, etc. Additional information about public lands can be found at <http://srd.alberta.ca/BiodiversityStewardship/GrazingRangeManagement/Default.aspx>

Legend: aum - animal unit month - one cow and calf pair for one month
