Policy Statement:

To standardise mowing operations in sub divisions within the County of Vermilion River #24.

Background:

The County of Vermilion River #24 has a number of subdivisions within its boundary. These subdivisions contain areas of land where businesses and/or residents of the Sub Divisions do not mow grass. These areas are a concern to the subdivision ratepayers because they are a fire hazard and also potential area for weed infestation.

Procedure:

The County of Vermilion River #24 will complete 2 separate mowing operations as needed in multi-lot County Subdivisions.

1. Mowing operations will commence no earlier than July 15 July 1 and completed no later than Oct. 15 Oct. 1.
2. Mowing operations will include county owned roadsides and county owned property within the sub - divisions.
