

County of Lethbridge Policy Handbook

EFFECTIVE: December 3, 1993

SECTION: 600 **NO.** 605

APPROVED BY: A.S.C.

SUBJECT: Weed Extension &
Inspection – Vegetation Management
Weed Inspections

REVISED DATE:

The purpose of this policy is to define the role of the County Weed Inspector.

1. The Weed Inspector will enforce the Provincial Weed Control Act during the growing season from mid-May to September.
2. The Inspector shall systematically make personal contact with all intensive livestock owners and farmers in general to provide extension material on weed control.
3. The Inspector shall carry out his functions under the supervision of the Fieldman and Assistant Fieldman.
4. Good public relations skills will be exercised at all times with a firm but fair attitude.
