

NORTHERN SUNRISE COUNTY

POLICY NUMBER 082/03

AGRICULTURAL SERVICE BOARD CONFERENCES / COURSES

PURPOSE: Conferences and courses are intended to educate Agricultural Service Board members and staff. By exercising discretion and good planning, different people shall be encouraged to attend different functions to gather as much information as possible while maintaining reasonable limits of spending.

REASON: By attending conferences/courses, members of the Agricultural Service Board and its staff have the opportunity to meet/discuss with "experts" from other areas of the province, projects and/or ideas which may be of benefit to the County.

POLICY: Agricultural Service Board members and staff may attend Conferences and courses that will be beneficial to the County.

All Agricultural Service Board members will be allowed to attend the following conferences and courses on an annual basis:

- a) Regional ASB Conference
- b) Provincial ASB Conference
- c) Provincial ASB Summer Tour

Members may attend other conferences/workshops related to ASB with the approval of the Agricultural Service Board members.

The Agricultural Service Board member will, upon his/her return from all courses, conferences or workshops, be required to give an oral report on the session(s) attended.
