Policy Title			
SEED CLEANING PLANT FINANCIAL ASSISTANCE AND SEED ANALYSIS FOR LICENSING			

Council Resolutions	DFA	C.C.	Cross Reference	Effective Date
No. 30-99 Date: Jan. 26/99				January 26, 1999

PURPOSE AND INTENT

1. To aid the seed cleaning plant in obtaining provincial grants.
2. For seed cleaning plant to operate under provincial licensing.

POLICY STATEMENT

Formal written requests for financial assistance by the seed cleaning plant shall be received and considered by Council prior to September 30th in any year for assistance from the following year's County budget. Inspection of the premises and seed analysis by the Agricultural Services Department will allow for licensing of the seed cleaning plant.

GUIDELINES AND PROCEDURE

The Agricultural Services Department shall take a minimum of thirty (30) samples per year from the Stony Plain Seed Cleaning Plant. The samples shall be analysed for purity from weed seeds, cracked kernels, and other grains. The samples shall be used to determine the grading that the plant receives on the day of the provincial inspection.
