PURPOSE AND INTENT

To aid in the sustainability of land within the County.

POLICY STATEMENT

Where a Soil Conservation Officer finds or determines that farm land in the County is or is becoming impoverished through wind or water erosion, or any other cause that has affected or may seriously affect the productivity of the land or the welfare of the owner or occupant of the land, and may become a menace to the community, appropriate action shall be taken in accordance with the requirements of the Soil Conservation Act (Section 12, Ch. S-19, R.S.A. 1980 Soil Conservation Act).
