

**Brazeau  
County**

POLICY TITLE: Agricultural Pests and Nuisances

POLICY NUMBER: AG-15

REFERENCE: \_\_\_\_\_

APPROVED BY COUNCIL: August 10, 2004

POLICY STATEMENT

All reports of agricultural pests and nuisances should be referred to the Agricultural Fieldman's office and managed in compliance with the Agricultural Pests Act and be consistent with acceptable practices.

POLICY

**Purpose:**

To assist (train and educate) ratepayers with the management of agricultural pests and nuisances

**Procedure:**

1. The Agricultural Fieldman is an inspector of the County under the Agricultural Pests Act.
2. All reports will be referred to the proper authority, either municipal, provincial or federal for the appropriate agency responsibility.
3. Ratepayers will be provided with available information and/or referrals to address the management of pests or nuisances.
4. All reports of rats or rabies occurrence within the County will be investigated with the proper provincial or federal authorities.
5. Requests for coyote control for predation will be referred to the Predator Control policy.
