### **PURPOSE**

A policy to allow ratepayers/residents the opportunity to cut hay in County road ditches.

### **GUIDELINES/SCOPE**

1. Requests for permission to cut hay in County road ditches are to be made in writing, and the hay being cut is to be used for the ratepayer's/resident's personal use.
2. Timelines will be set for receipt of the written requests to ensure that the County's Roadside Vegetation Control Programs (mowing and spraying) are complied with.
3. The ratepayer/resident will be responsible for noxious and prohibited noxious weed control in the requested area during the time period that the permission has been granted.
4. The policy will be administered by Agricultural Services.
