

County of Lethbridge Policy Handbook

EFFECTIVE: February 10, 1994

SECTION: 600 NO. 622

APPROVED BY: A.S.C.

SUBJECT: Reclamation of Surface Disturbances – Soil Conservation

REVISED DATE:

The purpose of this policy is to define the procedure to inspect reclamation of surface disturbances.

1. The Agricultural Fieldman and Development Officer are appointed Local Conservation and Reclamation Officers for the County of Lethbridge No. 26.
2. All inspections will be initiated by the Department of Environmental Protection and shall follow the Criteria for Wellsites and Associated Facilities as distributed by the Department.
3. The Local Conservation Officers salary will be reimbursed by the Department of Environmental Protection to the County.
4. Mileage for County vehicles used by Local Conservation and Reclamation Officers will be reimbursed to the County by the Department at .27 cents per kilometre to a maximum of 10,000 kilometres per year.
5. Subsistence along with adequate receipts will be reimbursed to the County by the Department.
6. Invoices for services provided will be submitted monthly to the Department.
