Market Beef - Live Unit

- This unit is intended for 4-H members with little or no beef experience.
- A steer or a beef heifer can be fed as a market beef project.
- It provides an opportunity for members to learn about the responsibility involved in caring for a market beef project.
- Each member is to select and provide the majority of the feed, management, and care of the market beef project.
- The market beef project must be registered to the 4-H member. Feeding records must be maintained for a minimum of 160 days prior to Achievement Day.
- The club must approve any replacements of the market beef project.

Achievement
- Exhibit project animal.
- Take part in skill competitions as designated by club: showmanship, judging, grooming, project knowledge events.
- Meet 4-H basic member expectations.
- Record book up to date.

Heifer Unit

- Members will gain more experience in the practical aspects of purebred or commercial beef production.
- With successful development of the heifer, the heifer may be retained for subsequent years in the cow/calf unit.
- Each member is to select and provide care for a beef heifer calf. Records are to be maintained on the heifer from weaning through to Achievement Day and, or breeding time of the following year.
- If the member is carrying both the market beef project and the heifer calf, detailed records are to be kept only on the market beef project, and partial records on the heifer calf. If the member is carrying only the heifer calf, the whole record book must be kept on the heifer calf. Partial records are the animal sections of the record book.

Achievement
- Exhibit heifer.
- Other requirements as in Market Beef - Live Unit.

Cow/Calf Unit

Two Year Old with Calf and/or Three Year Old with Calf

- The cow must be a previous heifer project carried through to this unit.
- Records must be kept on this unit.

Achievement
- Exhibit cow and calendar year calf (natural pair).
  (If a member shows an embryo or orphaned calf as part of the pair, show officials must be notified.)
- Other requirements as in Market Beef - Live Unit.

Pen Unit

- This unit is designed for a beef member with at least three years of 4-H beef project experience, who is interested in advanced beef production.
- Each member selects, feeds, manages and markets at least five beef animals. (District or Regional guidelines may state at least three beef animals.)
- Members must develop a cash flow and business plan for their project.
- Members market their project on their own.
- Members can begin this project any time of the year. Members must arrange to have club leader(s) tour and observe their operation.

Achievement
- Conduct a tour or develop a display for club members highlighting management practices learned, cash flow and business plan.
- Other requirements as in Market Beef - Live Unit.

Novice Beef Unit

- This unit is designed for 4-H beef members with no 4-H beef project experience.
- Members registered in the Novice Beef Unit are not eligible to register in any other Alberta 4-H Beef project within the same 4-H year.
- A member 9 to 11 years of age (Juniors) as of January 1 of the current 4-H year may enroll in this project for one (1) year.
- Each member selects, feeds, manages and exhibits a calendar year calf (January 1 to March 1) of that 4-H year.
- Members must keep records on the animal for at least 90 days prior to the Achievement Day event.
- Members have the option of continuing to exhibit this project as a Market Beef - Live or a Heifer Unit.

Achievement
- Exhibit project animal.
- Other requirements as in the Market Beef - Live Unit.

Market Beef - Carcass Unit

- This unit is intended for 4-H members with at least two years beef experience.
- It provides an opportunity to learn more about the beef industry by following the project from weaning through to the cooler.
- Members can market their project on their own.
- Feeding records must be maintained for the period determined by the club.

Achievement
- Exhibit project.
- Attend Carcass Display.
- Other requirements as in Market Beef - Live Unit.
Alberta 4-H offers an opportunity for young people to develop mentally, emotionally and socially through association with others.

Objectives
The 4-H Beef Project gives members an opportunity to:

• Acquire an understanding of beef cattle production and management through the experience of owning, caring for, and maintaining records on beef cattle.
• Develop the skills, patience and understanding of the handling practices essential in working with beef cattle.
• Develop an appreciation of the cattle industry and its importance in the local community, the province and the country.

All 4-H members must meet the Alberta 4-H Beef Project Policy requirements (Policy #6.05 is available on the 4-H web site at www.4h.ab.ca under Resources/Policy) and must abide by any regulations put forth by the local beef committees.
