

4-H Alberta – Camp Lifeguard

The 4-H Alberta Camp Lifeguard will work at 4-H Alberta summer camps and programs for the months of July and August. The lifeguard position will supervise activities located at our waterfront areas, including waterfront events and activities (canoeing). The lifeguard will participate in all areas of the camp, including administering skill sessions, first aid, and supervising counselors. This is a job designed for those who have lots of energy, excellent leadership skills, and are able to have fun!

We are looking to build a dynamic team. We need all of our staff to be dependable, mature, and eager to execute their best pose while gliding down the slip n' slide.

All Position Must Have's:

- Completed one year of post-secondary education;
- Valid Class 5 driver's license;
- Standard First Aid;
- NLS certification.
- Attendance at mandatory Summer Staff Orientation sessions, running April 30-May 3 and June 26-28, 2014

The Like to Have:

We'd like you to have experience working with youth. We'd like to have someone who can think on their feet, who is creative and innovative, and can break-out in the best rendition of 'Tarzan' at campfire ever seen at the 4-H Center. We'd like for you to be able to work independently with limited supervision and have strong interpersonal and communication skills.

Please feel free to contact the 4-H Branch Programs Specialist if you have any questions about the position. Lack of camp experience is not an obstacle.

The positions will be not be filled until suitable candidates are found. We offer a competitive hourly rate.

To apply, respond to this posting with your resume and cover letter to:
