

Century of Cents:

Alberta's Salute to 100 Years of 4-H in Canada

As a way to celebrate 100 years of 4-H in Canada, as well as the end of the Canadian penny in 2013, a yearlong collection of pennies and history will result in a single large wall mounted plaque to be displayed at the Alberta 4-H Centre. Each year from 1913 – 2013 will contain two items: a penny made in that year, and an Alberta 4-H highlight featuring a club, event, camp, program, location, sponsor, or other. Accompanying the plaque, an album will showcase each year with a photo and brief summary of the particular Alberta 4-H highlight.

Throughout 2013, 4-H clubs and applicants for each year of **Century of Cents** are encouraged to collect pennies and coins of all denominations. Coins will be combined at year-end and funds donated to the Alberta 4-H Legacy Fund as well as the Food Bank.

Be Part of Century of Cents!

Alberta's 4-H clubs, leaders, programs, staff, alumni, and sponsors all have the chance to be part of our province's unique initiative to celebrate 100 years of 4-H in Canada. Here's how:

Step 1	Choose a year	Alberta 4-H has an incredible history! Be part of showcasing that history by choosing an important event, milestone, or achievement. Note the year that it occurred.	January - April
Step 2	Find a penny	Sift through your can of change to locate a penny that was made in the same year as your 4-H highlight. Gather up all other coins for the year-long collection of coins by 4-H Alberta.	January - April
Step 3	Apply	Apply to have your highlight selected as the feature for a particular year (application on reverse). You may apply for up to three years.	Deadline: May 1 st
Step 4	Await confirmation	Based on the applications received, members of the Alberta 4-H Centennial Committee will designate highlight(s) for every year from 1913 – 2013. All applicants will be notified about the status of their application.	Notification to all applicants by May 31 st
Step 5	Capture the celebration	Congratulations! If your 4-H highlight was selected as the feature for a particular year, it's time to celebrate. Gather your year's penny and the important people that are part of your highlight – capture the celebration with a photograph that will become part of the album showcasing Alberta's 4-H history over the past century.	Submit by September 30 th (details to follow)

Have a penny? While we hope to find a penny for every year from 1913 – 2013, some years could be difficult to locate. If you have pennies, particularly from the early years, that you're willing to donate to Alberta 4-H Century of Cents, it would be greatly appreciated.
