

BOOK NOW FOR YOUR CLUB'S FALL FUNDRAISING CONCERT

BEN CRANE & JAKE PETERS

with Special Guest
Jessica Crane

Gathering from their wide roots in country, bluegrass, blues and western, Ben and Jake promise an unforgettable performance with their own twist on life in general and music in particular. Both are accomplished singers, songwriters, arrangers and producers in addition to their intricate instrumental work.

One of *Leanin' Tree's* top-selling cartoon artists, Ben's off-the-wall western humour unceremoniously invades his music and stage presence. His music has taken him across western Canada and the US, sharing the stage with the likes of the Sons Of The Pioneers, Don Edwards, R. W. Hampton and the Sons Of The San Joaquin.

Well-versed in banjo, mandolin, guitar, and pretty much anything with strings, Jake's speed and finesse add excitement and colour to the sound, and is well-known in the Canadian music scene, working with such artists as Dick Damron, Pam Tillis, Lisa Brokop, Pavlo, Randy Bachman, Cindy Church and Randy Travis. They have both appeared numerous times on CBC's *Vinyl Cafe* and *Madly Off In All Directions*.

Ben's youngest daughter Jessica steals their show with her fiddle.

What to expect from their wildly unique show ~

- 🔥 **Way too much fun with *Leanin' Tree* artist, singer and songwriter Ben Crane**
- 🔥 **Screen-projected images of his cartoon art with songs written to accompany them**
- 🔥 **Award-winning multi-instrumentalist Jake Peters, lightning-fast on banjo and guitar**
- 🔥 **Western cartoon fine art and music rolled into a unique, original and entertaining family show with a distinct agricultural odour**

We've got a sweet offer for you to consider. If your club can get 150 people out for a \$25 evening concert, promising them way too much fun and at the same time supporting our next generation of leaders, your club could stand to raise the majority of your year's funds. Add a silent or live auction, the numbers increase. With local sponsors to cover smaller items such as hotel or travel expenses, or even part of the performance fee, the numbers get even higher. Other options could include a dessert bar or spaghetti supper - something easy to keep a belly happy.

This is a win-win situation, promoting not only your club in your community, but also good, clean, unique family entertainment that's Albertan to the core.

Book now for the fall of 2006.
