4-H Alberta Renews Partnership with I.T.S. Travel!

I.T.S. Travel & Cruise, a family owned and operated agency offering personalized travel arrangements around the world, has renewed its partnership with 4-H Alberta to help enhance and sustain great opportunities for 4-H Alberta members and volunteers in Alberta communities.

Having been readily engaged with 4-H over the past ten years, both partners are excited to announce an update to the unique bookings program that benefits 4-H Alberta. The Booking Program offers the opportunity for all members of the 4-H community to easily and conveniently support local 4-H clubs.

I.T.S. Travel & Cruise, assists in booking airfares, package holidays, cruise vacations, escorted tours and many other travel options. As a 4-H Alberta Champion supporter, I.T.S. Travel & Cruise is proud to offer the ability to provide direct club support while making a booking through them.

I.T.S. Travel`s 4-H Alberta Bookings Program

The 4-H Community throughout Alberta, including parents, leaders, members and families, can utilize I.T.S. Travel & Cruise services in order to book a flight, car, hotel, etc. Upon making a booking, all patrons can then specify which local 4-H Alberta club they wish to benefit as a result of using I.T.S. for their travel arrangements.

The amount of services and travel purchased will then determine the financial support going back to the patron`s 4-H Alberta club of choice, and the 4-H Foundation of Alberta.

I.T.S. has committed to following financial dollars, based on booking amounts, to be forwarded to local clubs and the 4-H Foundation of Alberta:

- Up to \$999 receives \$25.00 per person
- \$2000 - \$4999 receive \$50.00 per person
- \$5000+ receive \$100 per person

75% of the financial support based on the booking amounts listed above will go directly to the club; the remaining 25% will go to the 4-H Alberta Member and Leader Travel Fund.

On a quarterly basis, each 4-H club that was selected by the patron when making their booking will receive the applicable financial dollars directly from the 4-H Foundation of Alberta via EFT.

2. Upon booking, state the 4-H Club you would like to receive the financial benefit from your booking. 75% of the financial support based on the booking amounts listed above will go directly to the club you specify; the remaining 25% will go to the 4-H Alberta Member and Leader Travel Fund.
3. Quarterly, the 4-H Foundation will forward funds provided by I.T.S. Travel & Cruise via EFT to applicable 4-H clubs.

For Example

Joe Smith from Bluffton, Alberta calls into I.T.S. Travel, indicates he wants to make a booking through the 4-H Alberta Bookings Program and books a trip for him and his wife totalling \$4200.00 total for them both.

Upon the time of booking Joe Smith must indicate there is a local 4-H club he would like to direct his bookings support to. For example, Joe calls into I.T.S. Travel & Cruise as says "This is Jim Smith from Bluffton. We support the Rimbey 4-H Canine Club and we want to make a reservation to..."

Joe Smith, clearly specifies that he would like the Rimbey 4-H Canine Club to benefit.

Because Joe`s trip costs more than \$2000.00 a person and less than \$5000.00, \$100 is able to be provided back to 4-H Alberta. 75% of that will be directed to Joe`s specified club (Rimbey 4-H Canine Club) and the remaining 25% will go to benefit the 4-H Alberta Member and Leader Travel Fund. In other words, \$75 dollars will go to Rimbey 4-H Canine Club and \$25 will be directed to the 4-H Alberta Member and Leader Travel fund.

All I.T.S. 4-H Alberta Bookings Program dollars will be directed to applicable clubs on a quarterly basis.
